Mission Statement

The Northern Colorado Breastfeeding Coalition will provide the community with breastfeeding support, resources and education to increase the success and longevity of breastfeeding in Northern Colorado.

Dear NCBC Supporters,

One of the joys of preparing an annual report is that it gives us a chance to look back and to be thankful for all that has been accomplished. The past year was filled with exciting work to advance breastfeeding support in Northern Colorado. Some highlights were:

- **Strategic planning with Board of Directors**
- **Journal Club: Articles discussed, “Lies and Lactation Cookies” & “Experiences of Racism”**
- **Movie night documentary “Micro Birth”**
- **Presentation on utilizing NCBC resources to support breastfeeding friendly environments**
- **Participated in the Big Latch to celebrate World Breastfeeding Week**
- **Offered two worksite lactation support trainings**
 - **Supported four employers to become designated breastfeeding friendly**
- **Provided training to childcare providers on supporting breastfeeding**
- **Offered an educational conference to health care professionals entitled “A Balanced Approach to Breastfeeding”**
